*Introductory Greeting – Guardian Material™ Transcriptions Progress*

Hello Everyone,

It is such a **relief and a JOY** to **finally** be able to share with you the new *Guardian Material™* transcriptions contained in this posting attachment! It has taken me since my last *Quick Check-In-1 Posting* of 9/7/2016 to compile and complete transcription of the in-depth *Guardian Material™ Excerpts* presented in this **FAIL-SAFE 5<sup>th</sup> Anniversary Note–PART-4** post, which “came in” *simultaneously* with even more detailed information scheduled for *FAIL-SAFE 5<sup>th</sup> Anniversary Note–PART-5* and beyond. The Topics and basic Subject Matter contained in THIS “PART-4 Posting” are listed briefly on the cover page.

*Guardian Material™* transcription on this “**HE'-TUE Long-Run Time-Wave**” that has been running in Earth's Templar since the “**Pan-Pan Dance**” Activation triggered 3-4/2015, seems to “take forever” because the information is so detailed, in-depth and vast in amount, and the data “downloads” with several *data-block-lines* at once. I do not enjoy the experience of *having so much time pass* before sharing the *Guardians™* newest information with you; perhaps I will find this less displeasing when I have made greater progress within my “personal lessons of PATIENCE” 😊.

Since childhood, the *Guardians'* “theoretical perspective” has been my personal “*Spiritual Calling*”, and transcription of the *Guardian Material™* transmissions has been my “*Life Passion*” for over 20 years. I am also “Wildly Passionate” about sharing the *Guardians'* information with “anyone out there whom cares”, because I know from personal experience how *Personally Empowering* and *Spiritually Transformative* the *Guardian Worldview* can be. I find joy in sharing the Gift of this *exploration opportunity* with others, so that it may facilitate them, as it has done for me, in creating a more *Awakened Life Journey* and more *Fulfilling Life...& potentially... After-Life... Experience*.

For those of you “out there” who care about the *Guardian Material™*, and whom may share my displeasure with having to “now wait much longer for next new-data release”, the **Guardians** would like us all to know that they “**have not forgotten or abandoned us**”, and that they believe we will find the progression of new “**HE'-TUE Wave** long-run material” transcripts will be ultimately, in the long-run, “worth the wait”. Personally, I am fully aware that the *Guardians* “**have not forgotten or abandoned us**”, as I spend many hours most days in open communication and transcription with them. But for people not yet in open communication with the *EAAC-AMCC-MCEO-GA Guardians*, the long periods between postings and new data-release may seem troubling, so the *Guardians* wanted me to pass on this **reassurance** to you. Regarding both the *Guardians*, and also we here at *ARhayas Productions*, .... “**We are Still Here, We are Still With You, ... and We ARE Still STANDING...Brave & Happy ... All-ways in service to the Eternal-Life 1<sup>st</sup>–Creation Agenda!** 😊”.

My back-log of in progress-open in-depth data-block *Guardian Material™* transcriptions is growing huge and rapidly since early 2015, and even more intensively since 12/1/2015 when the “**Triumphs**” engaged. The *HE'-TUE Wave* data-download-wave is synchronized and regulated by **environmental Frequency-conditions** occurring in Earth's Planetary Shields and Plasma Time-Templates, so completion of *data-block*

*transcription and sequencing* is partially dependent upon these *factors*. Public release of new *Guardian Material™* is also directly influenced by the *factor* that the *Guardians* most often *choose their new-data release dates* to correspond, or *EarthCync™*, with specific *Interactive Frequency Activations* that are, or will soon be, taking place within Earth Templar & Templates. When next-level new *Guardian Material™* transcriptions are released *soon before, or during*, important *Interactive Planetary Grid Activations*, it prepares and allows people to better understand, and to interact with if they choose, the Planetary Grid Frequency-Activations *as the Activations are occurring*.

The *Guardians* choice for the **release date** of the new the *Guardian Material™* Excerpts featured in this *FAIL-SAFE 5<sup>th</sup> Anniversary Note–PART-4* post, arose from both the *factor* of **environmental Frequency-conditions** in Earth's Templar (A "*Temporary Dark-River Grid-Muck Yuck*" that we'll address in later writings), and the *factor* of the *Guardians* choosing to *EarthCync™* this new-data release with **important new Planetary Templar & Template Activations** that will be soon unfolding in **Late-January- Early-February 2017**. In this regard, by releasing this new data now, the *Guardians* are "*giving us a Heads-Up*", preparing us to better understand the *complexity, dynamics and significance* of the *Triumphantly Amazing Things* what will soon be unfolding in Earth's *Planetary Templar-Templates*, and providing us with the preliminary conceptual foundations to *Interact* with these *Planetary Grid Activations* when they arrive in **1-2/2017**. The *Planetary Templar–Templates Frequency Activations* that will take place sometime in **Late-January- Early-February 2017** (*Guardians* will provide prior notice to precise dates, when they become known to them.) are referred to as:

The *INITIATION* of *Cycle-Set-5: RECLAMATION*

*The YhU-Rha'-Dha AWAKENING: EMERGENCE* of the *YhU-Rha'-Dha FORCE* –

The *RAINBOW-WHITE KRYSTAL-LIGHT Activation*.

**Late-January- Early-February 2017**

These soon-coming *YhU-Rha'-Dha AWAKENING* Planetary Grid Events are part of yet another *Essential Expedition* of Earth's *Planetary Triumph*-Early-Onset *Planetary Emancipation Cycle* and the *TRIUMPH of Triumph-Universal Grand Salvage Mission*. The *YhU-Rha'-Dha AWAKENING* Grid Events are ..."*YhU-ge*" in scope, complexity and implications, and will require us to rapidly accelerate our *KDDL™ EarthCync™* Programs. Due to the *Temporary Dark-River Grid-Muck Yuck* Templar Events that have been occurring since their **10/2015** start, the *Guardians* have requested that we wait until the coming **Late-January- Early-February 2017 YhU-Rha'-Dha AWAKENING "SUPER-Frequency Events"**, before resuming any of our *EarthCync™* Programs.

In order for any of us to understand how ..."*YhU-ge*" the *YhU-Rha'-Dha AWAKENING "SUPER-Frequency Events"* really are, and because of the *technical complexity* of the nature of these Events and their intrinsic processes, the *Guardians* have provided me with the sequence of how they would like their information to be released. As an attachment with this Posting we have included a 29-page Excerpt Compilation that will help to provide some fundamental concepts pertaining to the nature of the *YhU-Rha'-Dha AWAKENING* Events and many interrelated things. It is "Where they would like us to begin". This Excerpt Compilation is called "**SECTION:1**" in a much longer 8-SECTION document I have been transcribing from the *Guardians* beginning in 9/2015. The data in **SECTION:1** is quite technical in nature, but the *Guardians* believe this sequence will best prepare us for understanding the dynamics of the Planetary Events that are occurring. Even if the "mechanics dynamics" might seem a bit complex, you will "still pick up the frequencies just by reading through it". I hope you enjoy the *Guardians SECTION:1* Introductory Selection.
